## Mastech Digital Receives TechServe Alliance's Annual Excellence Award

*Honor recognizes top performing IT & engineering staffing and solutions firms*

PITTSBURGH, PA – November 13, 2017 - Mastech Digital, Inc. (NYSE American: MHH), a leading provider of Digital Transformation IT services, announced today that it has been awarded the annual [Excellence Award](#) from [TechServe Alliance](#). The award recognizes IT & engineering staffing and solutions firms that have demonstrated outstanding performance, team productivity, and dedication to continuous improvement.

TechServe Alliance, the national trade association of the IT & engineering staffing and solutions industry, recognized Mastech Digital at its [Annual Conference](#) in Phoenix, AZ, November 9-11, 2017.

**“TechServe Alliance Excellence Award winners exemplify the very best of our industry. They are committed to delivering world-class solutions to their clients and providing valuable career opportunities to IT and engineering professionals while far exceeding industry performance standards,”** said Mark Roberts, CEO of TechServe Alliance. **“These award recipients truly set themselves apart from the competition,”** added Roberts.

Commenting on the award, Vivek Gupta, President & CEO, Mastech Digital said, **“It is an honor to receive this Excellence Award from TechServe Alliance. Over the past one year, we have undertaken a number of innovative initiatives to transform Mastech Digital into a world-class digital transformation IT services company. The recognition by TechServe Alliance is a testament to our efforts as we continue to strive for sustained excellence and continuous improvement in everything we do.”**

The TechServe Alliance Excellence Awards winners were selected based on three criteria: consistent revenue growth, highly effective and productive teams, and a demonstrated commitment to continuous improvement through ongoing team development. To ensure independent and unbiased consideration of all applications, TechServe Alliance again engaged [Inavero](#), a leading staffing industry research firm, to collect, tabulate, and validate applicant submissions. TechServe Alliance accepted applications from both members and non-members that met specific eligibility requirements. Recognition was given to the select group of top-performing firms across three categories: small, mid-sized and large enterprises.
